Written Statement

To: Palmer District Court, Holland MA Police Dept, Thomas Kissel Probation Officer  
From: Kristen L. Johnson of 61 Stafford Rd. Holland MA 01521  
Re: Probation Violation of James Lamountain, c/o Probation Officer Thomas Kissel

I, Kristen L. Johnson, of 61 Stafford Hill Rd. make the following voluntary statement of my own free will without coercion, threat, or promise. This statement is being written on behalf of myself, and my two daughters (ages 18 months and 3 years). This statement is addressed to the Palmer District Court in addition to the Holland MA Police Dept, and Thomas Kissel, active Probation Officer for Mr. James Lamountain.

In September 2008, James Lamountain pled guilty to threatening to cause harm to my two children (mentioned above). Since receiving his probation terms in September 2008, the following incidents have occurred and all been documented by the Holland MA Police Dept and/or the MA State Police Dept.

- 1 James Lamountain has driven numerous times "slowly" by our house in an intimidating way (September 2008)
- 2 Michael Lamountain (son of James Lamountain) while out for a walk with my two children, Michael drove back and forth by myself and children to the point I was fearful for our safety, and retreated to my home.
- 2 Peter Frie (known friend and acquaintance of James Lamountain) was found parked at the end of my personal driveway taking pictures of myself, house and property.

Most recently, James Lamountain was found by my husband, Brian Johnson, on the following three occasions to be intimidating to my family.

- 3 Friday 1/23/09 James Lamountain was driving slowly back and forth by my house.
- 4 Saturday 1/24/09 James Lamountain was driving by my house slowly. He was also waving and beeping. The MA State Police were called.

On Monday 1/26/09, I personally spoke with James Lamountain's Probation Office Thomas Kissel. He informed me that he would be notifying James Lamountain of his probation violation, and a court appearance to determine penalties for violation.

- 5 It was the same day just hours after speaking with Thomas Kissel on Monday 01/26/09 that James Lamountain was found to be at the end of my driveway again. This time the Holland MA Police Dept was alerted.

I can not stress enough the impact that this has had on the quality of my life and my children's lives. I no longer take my children outside in my own yard to play for fear that James Lamountain or one of his friends or family could cause harm to us. I have become a prisoner in my own home, always double locking doors and windows routinely checking numerous times daily. I no longer frequent town business's for fear that I will be faced with a confrontation with any of the named above offenders. This has been an on-going issue for months and months. I am begging the Court System to finally put an end to this so that I may resume a fear free life as the upstanding citizen that I am, and be able to rebuild a better quality of life for myself and my children.
