

deposit of property shall be allowed. No flammable liquids or explosive or hazardous materials shall be stored. No servicing or repair of any engines of any type is allowed. No storage of motor vehicles, boats, or similar equipment is allowed.

Setback: The minimum distance from a lot line to a building placed thereon, or feature thereof, as is required in a particular situation by Section V, Table 2 hereof. Said setback shall be measured perpendicular (at right angles) to the lot line. At no point shall any structure on the lot be any closer to any street line, whether said street line directly abuts the lot or not, than the minimum front yard requirements for that zoning district.

Setback, Front: Setback required from a front lot line and from any street line of a corner lot or through lot, or from any driveway where no street exits.

Setback Line: A line, whether straight or not, parallel to a lot line, which denotes the location of the minimum setback.

Setback, Rear: Setback required from a rear lot line.

Setback, Side: Setback required from a side lot line.

Side Lot Line: See definition of Lot Line, Side in this section.

Side Yard: See definition for Yard, Side in this section.

Sign: Any object, device, display, or structure, or part thereof, situated outdoors, indoors, which is used to advertise, identify, display, direct or attract attention to an object, person, institution, organization, business, product, service, event or location by any means, including words, letters, figures, design, symbols, fixtures, colors, illumination or projected images.

Sign, Political: A non commercial sign erected to show support for a candidate for public office or to express an opinion.

Site Plan: A plan meeting the requirements specified in Section VIII, Special Permit, of this bylaw.

Site Plan Approval: Review by the Planning Board to determine conformance with local zoning ordinances or bylaws. The purpose of the site plan review is to determine that the use complies with all requirements set forth in this zoning bylaw and that the site design conforms to established standards regarding landscaping, access, and other zoning provisions
