Re: Public Record Request

Dear Mr. Frei,

In response to your public records request I provide the following break-down of fees:

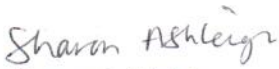

The hourly rate for search time and segregation time will be calculated at \$20.00 per hour.
950 CMR 32.06 (1)(c)

The page rate shall be 50 cents per page for computer printouts, 20 cents per page for photocopies.
950 CMR 32.06 (1)(d)

Your request seeks copies of any and all documents filed by the ZBA and /or Brian Johnson in connection with his proposed projects with application number 1560, 1599 and 1600, excluding the actual application for number 1560. You have also requested confirmation of Johnson's request to change from a variance to a special permit and, in addition, copies of notifications filed by Johnson within the next 30 days that any or all of Johnson's applications to become constructively approved due to ZBA's failure to act.

Because this request includes future documentation, I cannot estimate the cost to you at this time. However, I will be happy to send you the estimate after the 30 days have passed. This will be no sooner than June 11, 2015.

Regards,

Sharon Ashleigh

Town Clerk
